Section 4.1 **Members’ Easements of Enjoyment** – Subject to the provisions of Section 4.3, every Member shall have a right and easement of enjoyment in and to the Common Areas and such easement shall be appurtenant to and shall pass with the title to every Lot. Such easement shall include the right of any Member to connect

his residence with utility lines located upon the Common Areas, provided that the location and design of such connection receive the prior written approval of the Architectural Committee, and further provided that the surface of the Common Areas be promptly thereafter restored to its original condition by the Member at his sole cost and expense. Section 4.2 **Title to Common Areas** - The Developer may retain the legal title to the Common Areas or any part thereof until such time as the Developer has completed improvements thereon and until such time as, in the opinion of the Developer, the Association is able to maintain the same.

Section 4.3 **Common Area Maintenance** – The Homeowners Association shall control and maintain Common Areas Lots A, B, and D; all street medians and right-of-way, landscaping structures; and the swimming pool, club house and appurtenances thereto. Homeowners of lots abutting Common Lots E through F shall be responsible for maintenance of the portion of Common Lot C, E and F adjacent to their lots since access and use of the neighborhood as a whole is limited. Title to Common Lots C through F shall remain in the name of the Association, however, the abutting home owners may improve and make use of the common areas so long as any improvement does not affect the drainage ways located in the flood plain. Any improvements must meet city codes and receive prior approval of the Architectural Committee.

ARTICLE V

COVENANT FOR ASSESSMENTS

Section 5.1 **Creation of the Lien and Personal Obligation of Assessments-**

5.1.1 Each Declarant, for each Lot owned by him within The Properties, hereby covenants, and, except as provided in Section 5.1.2 below, each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association: 1) annual maintenance assessments; 2) special assessments for capital improvements, both of which assessments are to be fixed, established and collected from time to time as hereinafter provided. The annual maintenance and special assessments, together with such interest thereon and costs of collection

thereof as herein provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as is hereinafter provided, shall also be the personal obligation of the person or persons who was or were the Owner of such property at the time the assessment fell due.

5.1.2 For purposes of Section 5.1.1 only the Developer shall not be considered an owner of any unimproved property to which Developer holds title. Property so owned by the Developer shall not be subject to the terms of Section 5.1.1.

5.1.3 As to any owner other than the Developer, liability for both annual maintenance and special assessments shall begin at that point in time when such Owner becomes a Member.

Section 5.2 **Purpose of Assessments-**

5.2.1 The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in The Properties and in particular for the improvements, maintenance and operation of the Common Areas and of properties, services, and facilities devoted to the foregoing purposes and related to the use and enjoyment of the Common Areas and, to the extent specified in Article VII hereof, of the homes situated upon The Properties, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement, and additions thereto, and for the cost of labor, equipment, materials, management, and supervision thereof.

Section 5.3 **Maximum Annual Assessment-** Until January 1st of the year immediately following the execution and filing of this instrument, the maximum annual assessment shall be Three Hundred and No/100th Dollars (\$300.00) per Lot.

5.3.1 From and after January 1st of the year immediately following execution and filing of this instrument, the maximum annual assessment may be increased each year not more than 10% above the maximum assessment for the previous year by a majority vote of the membership.

Section 5.4 **Special Assessments for Capital Improvements-** In addition to the annual maintenance assessments authorized by Section 5.3 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying in whole or in part of the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds of the votes of the Members who are voting in person or

by proxy at a meeting duly call for this purpose, written notice of which shall be sent to all Members at least ten (10) days in advance and which shall set forth the purpose of the meeting, and subject to quorum provisions of Section 5.5, below, and provided further, that the maximum amount of any special assessment which may be assessed against any Member in any assessment year shall not exceed an amount equal to twice the maximum annual maintenance assessment for the same year.

Section 5.5 **Quorum for Any Action Authorized Under Section 5.4**-The quorum required for any action authorized by Section 5.4 shall be as follows:

At the first meeting called, as provided in Sections 5.4 hereof the presence at the meeting of Members, or of proxies, entitled to cast sixty (60) percent of all the votes of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Section 5.4 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

Section 5.6 **Uniformity of Assessments**-Subject to Section 7.2, below, every annual maintenance and special assessment established under this Article V shall be fixed at a uniform rate for all Lots.

Section 5.7 **Date of Commencement of Annual Maintenance Assessments**-Due dates for the annual maintenance assessments provided for herein shall commence on the first day of January in each calendar year.

The first annual maintenance assessment for each property shall be made for the balance of the calendar year and shall become due and payable at the time of closing or on the date of occupancy; whichever occurs first, and the maintenance assessments for any year, after the first year, shall become due and payable on the first day of January of said year, provided, however, that the Board may provide for the payment of such assessments in periodic installments.

The amount of the annual maintenance assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual maintenance assessment provided for in Section 5.3 hereof as the remaining number of month in that year bears to twelve. The same reduction in the amount of the annual maintenance assessment shall apply to the first such assessment levied against any lot which becomes subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment provided for in Section 5.4 hereof shall be fixed in the resolution authorizing such assessment.

Section 5.8 **Duties of the Board**-With respect to assessments, the Board shall:

- 5.8.1 Notify all members in writing at least thirty (30) days prior to January 1 of the next calendar year that annual assessments are due and owing (however, failure to so notify any member shall not relieve that member of the responsibility to pay said annual assessments); and
- 5.8.2 Cause the Association to prepare and maintain a roster of Lots, the Owners thereof, the assessments applicable thereto, if any, and the status of the payment thereof, which shall be kept in the office of the Association and which shall be open to inspection by and Member; and,
- 5.8.3 Upon demand at any time, furnish to any Member liable for an assessment a certificate
- 5.8.4 To operate, manage, maintain and administer the affairs of The Fountains Association, Inc., established pursuant to this Declaration tiled of record in the County Clerk's Office, Cleveland County, Oklahoma.
- 5.8.5 To enter into and perform any contract and to exercise all powers which may be necessary or convenient to the operation, management, maintenance and administration of the affairs of The Fountains in accordance with this Declaration.

Section 5.9 **Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; the lien; Remedies of the Association** If any assessment is not paid on the date when due (being a date specified in Section 5.7 hereof), then such assessment shall become delinquent and shall, together with interest thereon and the cost of collection thereof as hereinafter provided., thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives, trustees, successors and assigns. Notwithstanding the foregoing, the Association through the Board may elect to make the delinquent payment an ongoing personal obligation of the property owner.

If the assessment is not paid within thirty (30) days after the delinquency date, The Owner shall be assessed a penalty in the amount of ten dollars (\$10.00) for all assessments paid more than thirty (30) days after the delinquency date but less than sixty (60) days and a penalty in the amount of fifty dollars (\$50.00) for all assessments paid more than sixty days after the delinquency date and the Association may bring an action at law against the Owner personally obligated to

pay the same or an action to foreclose the lien against the property, or both, and there shall be added to the amount of such assessment the costs of preparing and filing the petition in such action, and in the event a judgment is obtained, such judgment shall include a reasonable attorney's fee to be fixed by the court together with the costs of the action.

Section 5.10 **Subordination of the Lien to Mortgages** – The lien on the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not, however, relieve such property from liability for any assessments thereafter becoming due, not from the lien of any such subsequent assessment.

Section 5.11 **Exempt Property**- The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein:

5.11.1 All properties to the extent of any easement or other interest herein dedicated and accepted by a local public authority and devoted to public use;

5.11.2 All Common Areas as defined in Section 1.2 hereof

5.11.3 All properties exempted from taxation by the laws of the State of Oklahoma upon the terms and to the extent of such legal exemption, provided, however, that no land or improvements devoted to dwelling use shall be exempt from such assessments, charges or liens.

ARTICLE VI
